For Credentialed UPCI Ministers Only

Official Notification of Resolutions

You may now access the resolutions that the Resolutions Committee has voted to present to the 2023 General Conference in Indianapolis, Indiana. These resolutions are posted at upciministers.com. They will be published on the [UPCI ministers' Facebook group Forward](#) and in the Fall issue of the Forward magazine. Please bring a copy of the resolutions with you, as none will be distributed at the meeting. If you have trouble accessing these documents, please contact my office at rmorley@upci.org for a PDF.

Each year resolutions may be submitted by individual ministers, districts, and the Executive/General Board. All resolutions are passed on to the Resolutions Committee, which is made up of ministers from all over the U.S. and Canada. This committee alone decides which resolutions will be presented and the form in which they are presented to you. Please keep in mind that the General Board, in session, may submit other resolutions to the Resolutions Committee, which, if approved, will also be presented.

The business session will be held Wednesday, September 20, at 9 a.m. at the Indiana Convention Center, located at 100 S. Capitol Avenue, Indianapolis, Indiana 46225. A ministers session will be held on Thursday at 10:30 a.m. in the same location. You can access the General Conference schedule at upcigc.net/schedule. The [seminar schedule](#) is also available.

We are anticipating a great conference in Indianapolis. We hope you can attend!
